If you answer Yes to this question, a screen will be generated for you to report the number of students still enrolled in long programs as of August 31, 2006

- No.
- Yes.

Based on your institution's response to the predominant calendar system question (B3) on the Institutional Characteristics survey from the IPEDS Fall 2006 Data Collection, your institution must report graduation rates data using a

- In the columns below, report the status of the subcohort in Col 60, who did not complete a program as of August 31, 2006.
- Report transfers-out who did not complete a program in Col 80. If the mission of your institution includes providing substantial preparation for students to enroll in another eligible institution WITHOUT having completed their programs, you must report transfer-out data in column 80. A school is required to report only on those students that the school knows have transferred to another school. A school must document that the student actually transferred. If it is not part of your mission, you may report transfer-out data if you wish.
- Report exclusions from the cohort in Col 95. The ONLY allowable categories for this column are:
students who died or became permanently disabled
students who left school to serve in the armed forces (or have been called up to active duty)
students who left school to serve with a foreign aid service of the Federal Government
students who left school to serve on an official church mission
