### Advanced Degree Reporting Method

Which method of reporting data on your institution’s postbaccalaureate degree programs will you use for this component?

The new postbaccalaureate degree classifications:

- Master's degree
- Doctor's degree - research/scholarship
- Doctor's degree - professional practice
- Doctor's degree - other

To use this method, you will need to recode all doctor's and first-professional degrees into the four graduate level categories listed above. You will also report any first-professional certificates as post-master’s certificates. You will be required to use this method when reporting this survey in 2010-11 IPEDS.

The old postbaccalaureate degree classifications:

- Master's degree
- Doctor's degree
- First-professional degree

12-Month Reporting Period and Instructional Activity Units

Which 12-month period you will use to report your unduplicated count and activity hours?

- July 1, 2008 through June 30, 2009
- September 1, 2008 through August 31, 2009

Undergraduate instructional activity data may be reported in Part B in units of contact hours or credit hours. Which instructional activity units will you use to report undergraduate instructional activity?

Please note that any graduate student instructional activity must be reported in credit hours.

- Contact hours
- Credit hours
- Both contact and credit hours (some undergraduate programs measured in contact hours and some measured in credit hours)

You may use the space below to provide context for the data you've reported above.

Calendar System (as reported on the prior year IC survey component): Semester

The FTE numbers above were estimated using an FTE Calculation Method.

If the FTE numbers calculated are accurate, click 'No' below and save the page. If they are not accurate, and you have reported the correct instructional activity hours above, click 'Yes' below and save the page. When you click 'Yes', the system will give you the opportunity to enter more accurate FTE numbers. This option should be used ONLY if you use a different calculation that leads to more accurate numbers.

Based on the information provided above, would you like to enter a more accurate number for FTE enrollment?  Yes  No
