Overview

**IPEDS Student Financial Aid Component Overview
 Public Academic Reporters**

Welcome to the Student Financial Aid (SFA) component. The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students and military/veteran educational benefits for all students at your institution.

Changes to This Year's SFA Component

There were no changes implemented for the 2016-17 data collection period.

Data Reporting Reminders

Undergraduate Student Groups

You will be asked to report information for different groups of students.

- **Group 1:** All undergraduate students
- **Group 2:** Of Group 1, full-time, first-time degree/certificate-seeking students
- **Group 3:** Of Group 2, students who paid the in-state/in-district tuition rate and were awarded any grant/scholarship aid from the federal government, state/local government, or the institution
- **Group 4:** Of Group 2, students who paid the in-state/in-district tuition rate and were awarded any Title IV federal student aid

*For public institutions, include only those students paying the in-state or in-district tuition rate. For program reporters, include only those students enrolled in the institution's largest program.

COA Revisions

Revisions to Cost of Attendance used to calculate the net price of attendance can be made in this component.

Consult the instructions and screens to make sure you are reporting the correct aid amounts for the correct groups of students.

College Affordability and Transparency Lists

Net price amounts calculated in SFA will be used to populate the Department's College Affordability and Transparency lists.

Interactive Edits and Error Messages

SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at 1-877-225-2568 for resolution.

Context Boxes

You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.

Section 1: Comparison Chart**Comparison Chart**

Based on the information reported on the previous screens for Group 1 (all undergraduates) and Group 2 (full-time, first-time degree/certificate-seeking undergraduates), this comparison chart seeks to help institutions check their reported data. Assuming that the information on Groups 1 and 2 are correct, then the calculated fields for 'All Other Undergraduates' should be the balance (Group 1 minus Group 2). If the balance does not check with your institution's calculations, please correct your reported numbers for Groups 1 and 2 before moving forward with the completion of the SFA survey component.

Note: Data for the 'All Other Undergraduates' will appear in the IPEDS Data Center for data users, but not in College Navigator.

Section 1: Cost of Attendance**Cost of attendance for full-time, first-time undergraduate students:**

Please enter the amounts requested below. These data will be made available to the public on College Navigator. If your institution participates in any Title IV programs (Pell, Stafford, etc.), you must complete all information. **Estimates of expenses for books and supplies, room and board, and other expenses are those from the Cost of Attendance report used by the financial aid office in determining financial need. Please talk to your financial aid office to get these numbers, to ensure that you are reporting correctly.**

These numbers are carried forward from Institutional Characteristics and should only be changed if an error was made in the reporting.

IMPORTANT NOTE: Report for **Post-9/11 GI Bill Benefits: July 1, 2015 - June 30, 2016** and Report for **Department of Defense Tuition Assistance Program: October 1, 2015 - September 30, 2016**

- Report the total number of student recipients and the total dollar amounts for each program.
- Student recipients can also include eligible dependents.
- Consult with your campus certifying official, who may not be in the student financial aid office.
- For Post-9/11 GI Bill Benefits, do not include the matching institutional aid provided through the Yellow Ribbon Program if your school participated.
- Information reported to IPEDS is only what is known to the institution.
- Enter zero (0) if your institution did not have beneficiaries for that student level or program. Please do not leave a cell blank.

Summary**IPEDS Student Financial Aid (SFA) Survey Summary**

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2016.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.

Screen: Part C, Page 2 - Enter Information about Group 2

Screen Entry	The average amount of this type of aid awarded to Group 2 students is outside the expected range of between 8,407 and 12,609 when compared with the prior year value. Please check the number of students and the total amount of aid awarded to these students, and correct or explain the discrepant values. (Error #7147)	Explanation	Yes	
--------------	--	-------------	-----	--

Reason: Our institution has seen a 28% increase in the number of recipients of private loans from 2014-15 to 2015-16. The amount disbursed for the target population had a significant increase from 2014-15 to 2015-16. We have reviewed the files for the awards made and the reported values for 2015-16 are accurate.

Screen: Part E - Enter Information about Group 4

Screen Entry	The number entered is outside the expected range of between 24 and 44 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
--------------	---	-------------	-----	--

Reason: We have reviewed the files for the number of students with off-campus (with family) living arrangements, and the reported values from 2012-13 to 2015-16 are correct. The number of students is close to figures reported in 2012-13 and 2015-16. The number of off-campus (with family) students for 2013-14 appears to be an anomaly.
